

Payment Card Industry Data Security Standard

Certificate of Compliance

Awarded to
Servecentric Limited

Service assessed: Data Centre Hosting Provider (co-location)

Address: Dublin 15, Republic of Ireland

Date of AoC: 28 October 2025

Certificate Number: ITG-16885-2025

Issuing Conditions:

IT Governance Ltd has provided this certificate to indicate that the cardholder data environment of the assessed entity has been validated against the Payment Card Industry Data Security Standard (v4.0.1) for the certification period, valid for one year from the date assessed within the scope defined in the AoC.

This certificate is issued based on the assessed requirements of the Payment Card Industry Data Security Standard v4.0.1 Template for Report on Compliance.

This certificate offers no warranty or guarantee to the security, confidentiality, availability or integrity to a compromise, threat or breach of any systems or data held by the assessed entity. Accordingly, IT Governance Ltd accepts no liability to any third party in the event of loss or damage to systems or data due to any perceived or actual lack of security or breach of current security measures.

This certificate is not endorsed by the PCI Security Standards Council and is produced solely by IT Governance Ltd for the records of the assessed entity as an attestation to their compliance level.
