

CERTIFICATION EUROPE™

This is to certify that the

Information Security Management System

Of

Servecentric Ltd

At
Unit 9, Blanchardstown Corporate Park, Dublin 15.

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO 27001:2013

This certificate is valid for the activities specified below:

The Information Security Management System (ISMS) applies to Servecentric's internal systems, personnel and the managed services it provides. This includes data centre infrastructure, hardware, software, network, monitoring and client servicing applications. The ISMS covers the hosting service up to hand over to client. The ISMS does not cover customers' application data, processes or procedures.

Certification to the standard is made under the Statement of Applicability (version V1.0) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
To verify this certificate validity please contact us at info@certificationeurope.com

Date of initial certification: 14th January 2009

This certificate is valid until: 13th January 2018
